Class Cancellations and Refunds

Class/Program Cancellations

The Chandler Parks and Recreation Division reserves the right to cancel any program due to insufficient enrollment. Early registration is encouraged to help prevent course cancellation due to an apparent lack of interest. If a class or program is cancelled, you will be notified and offered an alternative choice, if available. If no alternative is available, a full refund or credit on account (your choice) will be issued within 30 days.

The Parks and Recreation Division reserves the right to cancel, postpone, combine classes, change rooms, or change instructors as needed.

Cancelled Enrollment

If a participant wishes to cancel enrollment, he/she must notify the Recreation Division at 480-782-2727 or 480-782-2640, or the Aquatics Program at 480-782-2756 at least 48 hours prior to the start date. A full refund will be issued. Less than 48 hours notice will result in a 50 percent refund. Refunds are not available after the session is complete, or after the second class for swim lessons. Medical emergencies will be handled on a case-by-case basis.

Refunds

A full refund will be issued if you are not satisfied after completing a class or program. The Parks and Recreation Division is committed to excellence by providing high-quality programs and services. If you are not satisfied with a class or program, notify the Recreation Division at 480-782-2727 or 480-782-2640, or the Aquatics Division at 480-782-2753.

Visitors

Non-registered individuals are not allowed in classrooms, either as an observer, family member or dependent, unless class description specifies otherwise. All classrooms have windows for observation.

Blocked Phone Numbers

The Community Services Department often experiences difficulty returning phone calls to customers with blocked phone numbers. If you contact us and leave a message,

please unblock your phone so that we may serve you promptly.

Parking Garage

Chandler's municipal parking structure is located at 100 E. Boston, just south of the Community Center. The structure provides convenient parking for Community Center, Senior Center and Library patrons. The public entrance is on the east side of the garage. The garage is open 24 hours a day, 7 days a week.

Participant Medical Policy

The City of Chandler will not prohibit any individual from participating in an activity due to a medical condition or impairment, unless the condition is likely to cause injury to the individual or other participants. An individual who has been told by a medical professional that he/she has a medical condition that is likely to cause harm to him/herself or other participants is obligated to inform the City of this condition or to withdraw from the program.

Disabilities

The City of Chandler does not discriminate on the basis of disability. Individuals needing special accommodations are

asked to notify City staff when registering. Information concerning accessibility or other City programs or facilities is available from Marian Stanley, ADA Coordinator, 25 S. Arizona Place, #301, Chandler, AZ 85225; phone 480-782-2216 or TDD# 1-800-367-8939.

Scholarships

The City of Chandler Parks and Recreation Division has a scholarship program to help economically disadvantaged families and individuals improve their quality of life through leisure opportunities. Registration

1. On-Line Registration

Note: Please be advised that the City is currently working on revisions to its website. Some of the information listed below may vary slightly. We will do our best to make the information as compatible as possible and provide additional links for our On-line Registration. We apologize for any inconvenience this may cause. On-line registration will begin at 10 am on Saturday, Aug. 16, and will be available through Monday, Sept. 1, at www.chandleraz.org. We have now established a "Recreation Classes Online Registration" link in the lower left corner of the main web page, for your convenience. You may also still click on "At Your Service," then "O" for "On-line Recreation Class Registration." On-line Registration is available 24 hours a day, 7 days a week. A VISA,

 MasterCard or debit card is required for payment. Programs not available for on-line registration will include a symbol of a crossed-out computer.

There is a **liability waiver** at the bottom of your on-line registration receipt. It is your responsibility to print out and sign the waiver, then turn it in to the instructor on the first day of class.

How do I set up an on-line account?

Go to www.chandleraz.org. Click on "At Your Service." You will then receive an alphabetical listing where you can click on "O" for "On-line Recreation Class Registration." Next, click on "Register Now," and then on "My Account" at the top of the screen. This will bring you to the "Customer Login" screen. Click on "Request an Account Now" and complete the application. All fields are required for account approval. Your account must be approved before you will be able to register for activities. Approvals will be processed between 8 am and 5 pm each weekday. You will receive account approval and an I.D. # via e-mail. After you set up your account and receive approval from us via e-mail with your I.D. #, you must add any family members into your account **before** you begin the activity registration process. Click on "My Account" and login, if you haven't already. Now click "Change Family Members." You will be able to register for activities any time, 24 hours a day, using your Visa, MasterCard, or debit card for payment.

**Look for Phone-In Registration
coming Winter 2004!**

2. Mail-In Registration

Fill out the registration form on page 8 and mail it in with your payment. Payment may be made by VISA, MasterCard, debit card, check, credit on account, or money order. Make checks available to "City of Chandler."

Mail registration to:

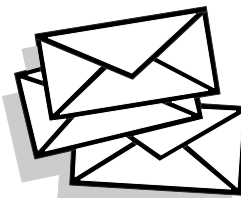

Mail Stop 501

P.O. Box 4008

Chandler, AZ 85244-4008

Please write attention to one of the following programs:

- **Recreation Class Registration**
- **Aquatic Registration**
- **Apples to Zebras**
- **Teen Programs**

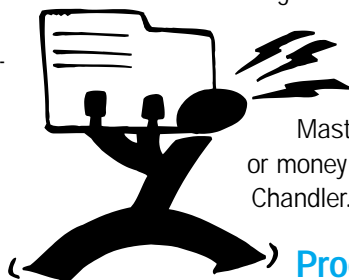

3. Drop-Off Registration

Drop boxes are located in the lobby of the Chandler Community Center, 125 E. Commonwealth Ave., and Snedigar Recreation Center, 4500 S. Basha Road.

Place your completed registration form, along with payment, in one of these drop boxes. Payment may be made by VISA,

MasterCard, debit card, check, account credit, or money order. Make checks payable to "City of Chandler."

Processing Registration

Since some classes fill up early, individuals and families are encouraged to register as soon as they receive the Break Time brochure. Mail-In and Drop-Off registration received on or before Aug. 16 will be combined and processed randomly starting at 10 am Aug. 16, the same time on-line registration begins. No registrations will be processed before Aug. 16. Registration forms received after Aug. 16 will be processed by date received, in random order. Registrations dropped off at 8 am have no priority over those received later in the day, or those received in the mail that same day. The City of Chandler is not responsible for lost or misdirected mail.

Registration Dates

Mail-in and drop-off registration will be accepted as soon as you receive this brochure and will be combined and processed randomly **beginning Saturday, Aug. 16**. No registrations will be processed prior to Aug. 16. Non-resident registration for Apples to Zebras is Sept. 2-3.

Completing the Registration Form

Please submit a separate registration form for recreation classes and aquatics classes. Processing can be delayed if the same form is used for recreation and aquatics registration.

Please list a **1st, 2nd and 3rd class choice**. If only one class choice is listed and that class is full, the participant is placed on a waiting list.

The registration form is an application. It does not ensure placement in a class. You will receive a confirmation receipt to verify enrollment in a class. If your class choices are full, the participant will be placed on a waiting list.

If you are placed on a waiting list, you will be notified

if an opening becomes available. Notification may come as late as 48 hours prior to the start of a class.

Fees for each class must be paid at the time of registration.

If paying by check, please write a separate check for each class. If only one check is submitted and only a portion of the payment is used (due to a full class or program cancellation), the remaining balance will be issued as a credit on account for future use.

Please fill out the registration form completely. Enter the full name of participant, address, home and emergency phone numbers, and age. Please sign the form. If possible, please submit only one registration form per family.

FAQs About On-Line Registration

What website address do I access to register on-line?

Go to www.chandleraz.org.

What do I need to register on-line?

You must establish an on-line customer account (see "On-line Registration, page 6 for details). You will also need an e-mail address.

What if I do not have an e-mail address?

You may visit any of the four Chandler Public Libraries to set up your free personal e-mail account. A reference librarian can assist you. For more information, call 480-782-2803.

What if I forget my password or customer ID number?

Call 480-782-2640 prior to Aug. 16 for assistance.

Why doesn't my registration work on the on-line registration system?

There are a number of possible reasons:

- The class is not open for registration at this time.
- Some classes require special registration data and therefore cannot be accessed in the on-line system. Classes that are not available for on-line registration have a crossed-out computer symbol by the class description.
- The system is temporarily unavailable due to a large number of users at the same time, or system maintenance. (The City of Chandler addresses maintenance issues every Wednesday from 7-11 am.)
- You have not applied for an account, or your request for an account has not yet been approved.
- Your child is too young/old for the class.

What if I am trying to register, and it says I am not the correct age?

There may be a couple of reasons for this:

- You must enter your birth date in order for the computer system to determine that you are the appropriate age for the class.
- You must be the age specified in the class description in order for your registration to be accepted.

Do I need to sign a liability waiver?

Yes. There is a liability waiver at the bottom of the registration receipt that you will receive after registering on-line. It is your responsibility to print out and sign the waiver, and turn it in to the instructor on the first day of class.

What should I bring to the first day of class?

Bring a copy of your on-line registration receipt.

What should I do if my e-mail address has changed?

Call 480-782-2640, or send an e-mail to ParksAndRec@ci.chandler.az.us with your new address.

If you have further questions about on-line registration or need assistance, call 480-782-2640.

Welcome to an Arizona Fall

Chandler/Gilbert Outdoor Recreation Cooperative

The City of Chandler Recreation Division and the Town of Gilbert Recreation Department have joined together to co-sponsor many of the outdoor recreation programs listed in this brochure. The outdoors offers something for everyone, and the fall season is an outstanding time to explore and enjoy the natural beauty of the outdoors. Expertise is not required in our program, but preparation is. Please, always bring the following items:

- Comfortable clothing
- Three quarts of water
- Lunch, snack food
- Rain gear
- Hiking boots
- Hat or bandana
- Remember: dress for the weather, but prepare for extremes

The outdoors is much more enjoyable if you're in good physical condition. Please consider your capabilities.

A parent or legal guardian MUST accompany every hiker under the age of 18.

Day Hikes

For all day hikes, you will have the opportunity to form carpools if you choose at the Gilbert Parks and Recreation Office, 119 N. Gilbert Road, which is just north of Elliot Road on the east side of Gilbert Road. Please park at the south end of the lot and come prepared to drive. High-clearance vehicles are recommended. It is customary to reimburse the driver \$.06 per mile if you choose to ride with someone rather than drive yourself.

Each hike costs \$15 (per hike). Hike Leaders: Elaine Furimsky and Justin Kern.

Hike ratings:

A = 9 + miles, elevation gain of 1000+ feet

B = 5-8 miles, elevation gain of 500-1000 feet

C = Less than 5 miles, elevation gain of 500' or less

Horton Creek

Ponderosa Pine, Oak, Douglas Fir, Alligator Juniper and Maple align this perennial creek. Shade abounds, as does cooler air, for the entire route is forested. At trail's end, Horton Spring gushes from a hillside, supporting a pristine community of horsetails, mosses, giant Douglas Fir and a promising

population of trout. An elevation gain/loss of 1000' occurs along an easy to moderate grade. We will eat lunch at the spring and return via the same route for a total of 8 miles. Vehicle travel time one-way is approximately 90 minutes. Rated: B

Sandy's Canyon Trail/Walnut Canyon
Walnut Canyon is a small national monument located just east of Flagstaff. It is known for the Sinagua Cliff Dwellings at the end of the canyon. Walnut Canyon stretches for several miles across the Coconino Plateau. We will enter the canyon using Sandy's Canyon Trail taking us into Walnut Canyon. This area is capped by dark lava rock that covers the Coconino Plateau which is Coconino Sandstone, the same rock that is the upper walls of the Grand Canyon. The beginning of the trail is shaded by yellow-bark ponderosa and aspens. The trail opens up to the level bottom of the canyon, then hiking a part of the Arizona Trail. This area is managed by the Forest Service as bird nesting area and known for its wildlife. Total hike is around 6 miles. Elevation gain/loss is 300 feet. Rated: B-C

Massacre Grounds

As visually interesting as it is historically significant, the Massacre Grounds has something for everyone. This site of an Apache attack on gold laden Mexicans offers a panorama of the north side of the Superstition Mountains, Weavers Needle, and the First Water area. You will be surprised at the remoteness of the hike since it is only about 40 minutes from downtown Chandler. Total distance is about four miles round trip with an elevation gain of close to 800 feet. Rated: B-C

Parson's Springs

Access one of the finest riparian canyon areas in Arizona. Sycamores, cottonwoods, Arizona walnuts, and wild grape adds to a jungle-like environment along a perennial creek. Our trail parallels the creek requiring a few crossings, some boulder hopping and a 200' elevation loss/gain. Springs, pools, and red rock formations are just some of the interesting sightings to be had along the way. We will be hoping that fall has arrived, and can enjoy the autumn colors. Lunch will be near Parson's Springs and return via the same route for a total of 7.4 miles. You will want to bring your camera on this hike. Located 10 miles west of Cottonwood. Vehicle travel time one way is approximately 2 hours to trail-head. Rated: B-C Instructor: Furimsky

1513.113 Su 10/26 7 am 10 yrs+

Wood Canyon

Wood Canyon is located just east of Superior. We will hike an abandoned jeep road with easy access to a riparian area of Wood Canyon. The trail gives us good views of Picket Post Mountain. This area has beautiful Sonoran desert terrain — not as well-known as the Superstitions, but just as delightful. Hiking mileage is five to six miles and returning the same route. Elevation change is about 600 feet. Rate: B-C Instructor: Furimsky

Agua Fria Canyon

This hike is within the new Agua Fria National Monument, located a 1.5-hour drive north of the Phoenix area. We may find some petroglyphs in the area. The trail will offer spectacular views of Aqua Fria Canyon and the surrounding area. We will hike into the canyon area about 3 miles and eat lunch at Perry Tank Canyon and return via the same route. Total trail distance will be about 8 miles along the river, including boulder crossings, with an elevation change of about 800 feet. Rated: B Instructor: Kern

Peralta Trail to Fremont Saddle

Join us for a 4-mile hike on the most popular trail in the Superstition Mountains. We will be hiking to Fremont Saddle for a great view of Weaver's Needle monolith. Local service organizations, youth organizations, church groups, and neighborhoods can have fun while providing a community service. Groups can also win awards through this program. By donating a tree to the Living Tree Donation Program, you can help beautify our city parks while at the same time celebrating life by planting a tree! Just donate money towards the purchase of a special tree, or donate a live tree to the City of Chandler Parks Division.
